Quote of the week: “For success, attitude is equally as important as ability.” - Walter Scott

BOOK WEEK 2017

Book week will begin on Friday 24th February with a visit from the author, Chitra Soundar. The theme of the week is ‘Around the world in 8 days’ and children will have the opportunity to hear and read stories from different countries around the world. Throughout the week, there will be lots to look forward to including: parent ‘stay and read sessions’, shared reading between different classes and a food tasting experience. World Book Day is on

Thursday 2nd March and children and staff are invited to either: dress as their favourite book character or dress in traditional clothing from a country of their choice. If any parents are interested in helping during the week, for example by sharing their favourite childhood story or taking part in a cooking activity, please speak to your class teacher.

‘To work hard and be respectful every day; to believe and achieve, that’s the Cranmer way.’

Cranmer’s Golden Rule is a crucial component of our ethos and high standards. The Golden Rule underpins all that we do and applies equally to children, staff and the school community.
Congratulations to Aqua Class for all achieving the top attendance score of 98.9% for the week beginning 30th January. Well done to them!

BIKES AND SCOOTERS ON SITE

Please remember that although bikes and scooters are allowed to be left on site during the school day, they are left at owners’ own risk and should be locked. They are not allowed to be left overnight.

SAYERS CROFT MEETING

On Monday 27th February at 6.30pm there will be a Sayers Croft meeting for Year 3 parents in the studio hall (Crescent building).

A crèche will be provided

AMAZING AAKARSHANA

Aakarshanaa in Opal Class has been achieving success outside of her learning at Cranmer! Like many children at Cranmer, she works hard outside of school to practise another language and participate in activities from her culture. Recently, she won these trophies - one for achieving 96% in her Tamil exam and the other for obtaining a mark of distinction in her Tamil dance exam. Well done Aakarshanaa!

LIKE CRANMER PRIMARY SCHOOL!

There is now a Facebook page for Cranmer Primary School. This will be used to update you on any school news and reminders. All interactions will be monitored and treated in the same way as they would be in person. The page can be found at https://www.facebook.com/Cranmer-Primary-School-1684746341840167/ or by searching for Cranmer Primary School.

‘GOLDEN TEATIME’

Every Friday afternoon, children who have been especially chosen by their classteacher for following Cranmer’s golden rule, will be able to have tea with Ms Hick. One child will be chosen from each class as a reward for their hard work, respect for others, and as a celebration of their achievements.

They are:

YEAR 4 DJEMBE DRUMMING PERFORMANCE

Friends and family of Year 4 children are invited to watch them demonstrate their skills on the djembe drums. The children of all three classes have been working hard rehearsing in their Monday morning lessons and are now ready to show off to you all!

The children will be running their own assembly with child-led performances from all three classes on Thursday, 22nd February at 2.30pm, in the Studio Hall. Parents can take their children straight from the performance.

We look forward to seeing you there!

Living Wandle Landscape Partnership

The Wandle Valley offers something for everyone; from cycling to fishing, heritage talks to wildlife watching, we're certain you'll find something to suit your interest!

About the project
The Living Wandle Landscape Partnership is a Heritage Lottery Funded programme that is reconnecting local people with the River Wandle through celebrating its unique heritage. Over four years, the scheme is delivering 28 projects covering wildlife conservation, access improvement, heritage exploration and learning as well as training opportunities for people to get involved with. Our aim is to enhance, protect and celebrate the industrial and natural heritage of the Wandle.

Did you know that you are within a regional park?
The Living Wandle Landscape Partnership supports the wider initiative to create a new regional park in the Wandle Valley, stretching from Croydon and Sutton through Merton and Wandsworth to the Thames in the North. Progress towards this is being coordinated by The Wandle Valley Regional Park Trust. The vision is for the Wandle Valley to be a coherent and vital part of London’s green space network; creating a place rich in heritage, where people are proud to live, work and play, that contributes to the economic vibrancy of South London. This will be done by focussing on six key aims: landscape, heritage & culture, health & well-being, natural systems & resilience, people & communication and economic growth.

Wandle events wanted!
This leaflet includes activities organised by Living Wandle partners and other organisations along the River Wandle.

Do you have a community event taking place within the Wandle Valley that you would like promoting? Let us know by getting in touch at the details below!

On Wednesday 8th February you will no longer be able to buy uniform at the school. From Monday 20th February you will be able to buy uniform from Stitch Design.

Stitch Design is an online uniform service that is designed to provide you with your uniform order within 3-5 days throughout the year.

If you need your order for return to school in September, it is advisable for you to order by the middle of August. Although they try very hard to stock up for the total Summer demand, it is simply impossible to accurately predict demand, and if they do run out of an item, it will take them approximately 2-3 weeks to replenish stock after the middle of August.

Please register online at www.stitchdesign.co.uk choose ORDER YOUR SCHOOL UNIFORM HERE and enter the school's postcode: CR4 4XU.
