NEW CHOIR PLACES NOW AVAILABLE!

Are you a born performer? Do you love to sing your heart out? Are you in Years 3-6? If you answered ‘Yes’ to all those questions - you’re in luck! A number of places in the Cranmer Choir have become available. Cranmer has a very well-respected choir who perform at a variety of events across the year. This year alone, we have sung Christmas carols at a residential home, entertained the crowds at a celebration evening event and taken part in two borough-wide music festivals. However, the best is yet to come! The Cranmer Choir will be performing this summer at the Water City Music Festival at the Tower of London!

Spaces are limited and will be filled on a first-come, first-served basis. If you are interested in joining (or even re-joining) the Cranmer Choir, please speak to Miss Fryer for a letter.
Our amazing time at Sayers Croft

On Friday 23rd March 2018, Year Three embarked on an adventure to Sayers Croft. There was great excitement and anticipation as we all boarded the coach whilst the parents waved us off. When we arrived, we separated into our two dorms- Holmbury and Peaslake. On the first evening, children and staff gathered around a campfire to sing songs and roast marshmallows, which the children thoroughly enjoyed. This gave them the chance to adjust to their new surroundings.

The next morning, Peaslake took part in shelter building where the children had to work in teams in order to build a shelter which could withstand wind, rain and a bear! The children worked well in their teams to think about the best way to build their shelters. After that, Peaslake took part in a high ropes course. Here the children had to work in pairs to guide each other around the course, holding safety ropes for their partner. The highlight of the ropes course was a Tarzan swing, where the children had to jump off a platform into a big net.

Whilst Peaslake were doing the above activities, Holmbury did a blindfold trail. One partner was blindfolded and the other partner had to give clear instructions as to how to get around the course which included crawling through a tunnel and climbing through tyres. Once they had completed the trail they had the chance to go through a maze where they had to work out the secret phrase. The children then had the opportunity to do pond dipping.

We all then joined together for a delicious lunch before heading off on a two hour walk. On our walk, we saw some beautiful horses and encountered lots of mud! We ended up back at Sayers Croft and had the chance to visit the tuck shop.

After dinner, we took part in a night time walk. This took us around the woods surrounding Sayers Croft where there were reflectors which we had to find with our torch. The children enjoyed the challenge of navigating the woods with only their torches as a light source. We then headed back to the dorms where we had hot chocolate and watched a movie.

After a lovely roast lunch we got back on the coach ready to head home. The children and staff all had a great weekend!
**GOLDEN TEATIME**

Every Friday afternoon, children who have been especially chosen by their classteacher for following Cranmer's golden rule, will be able to have tea with Mrs Hick. One child will be chosen from each class as a reward for their hard work, respect for others, and as a celebration of their achievements. The children who were chosen this week were: Aatika, Anna, Rose, Ellis, Lily Mae, Osric, Saraiya, Aadam Ali, Laura, Pranneeta, Humza, Nikodem, Sammy, Isaiah, Emmanuel, Zion, Kiya and Nidhi.

**OUR SCHOOL RULES**

This week, we have had a special focus on our rules at Cranmer. On Monday, Ms. Hick told the whole school a story called 'The Five Wise Rules' to encourage the children to start thinking about why we have rules.

In assembly on Tuesday, Mrs Caird and Mrs McCabe introduced the Busy Bee to Early Years and Key Stage One. We practised the 'Bee Rules' together and learnt the actions.

**EYFS and KS1 Rules:**

- Be Kind
- Be Honest
- Be Brave
- Be Ready
- Be Proud

In Key Stage Two, Mrs Lone and Mrs Magill shared the 'Always Rules' with the children.

**KS2 Rules:**

- We always show respect to ourselves and others.
- We always take responsibility for our words and actions.
- We always strive to be the best we can be.
- We always support each other's learning by behaving well.
- We always show respect to the school building, equipment and other people’s property.

The children have discussed the school rules in their classes and thought carefully about how they can show that they are following the rules throughout the school day. We would like you to help us raise the profile of our school rules by discussing them with your child(ren) at home.
Congratulations to Aqua Class for achieving the top attendance score of 96.7% for the week beginning 26th March 2018

SUN CARE REMINDERS

As summer approaches, we ask parents to please keep in mind the following reminders:

- Apply sun cream before school
- Provide your child with a labelled water bottle
- Send children to school with their Cranmer caps for extra protection – only Cranmer caps are allowed
- Sunglasses are not allowed in the playground unless they prescription glasses.

We encourage all parents to follow the advice above to ensure your child is protected in the sun.

PARENTPAY UPDATE

To add alternative contact details please direct parents to select:

Cranmer daffodil bulb planters celebrated the results of their winter digging. The bulbs were planted in the cold and snow, but now bring colour and sunshine on the green outside the school gates. Thanks to Mr Parish, Mrs Yusuf and children, Ms Sherwood (Governor) and Mr Makin. This is the 6th year of the “Bulbs for London” scheme through the Metropolitan Parks and Gardens Association and Walker Bulbs who kindly donated these and other bulbs now in and around the school.

Congratulations to the dedicated parents who completed a Six week Parent Gym programme facilitated by Mandy Walker. Watch this space, as another Six week programme will be starting soon with a taster session in mid-May, here at Cranmer.

The CPTA is collecting any used printer cartridges to help raise funds for our ongoing playground development. You can donate your used cartridge to a member of the office staff, in either building. This is a very green way of recycling!

Thank you in advance.

The CPTA would like to say a huge thank you to everyone who attended and helped at the Easter Fair.
Together, we raised over £700 of which every penny will go towards our ongoing playground projects.
It was great to see everyone enjoying themselves and winning lots of festive goodies.
