  Half Term

- **7th November**
  Sibling Photographs

- **12th & 14th November**
  Parents’ Evening

---

_Congratulations to Ruby Class for achieving the top attendance score of 99.7% for the week beginning 17th September. Well done to them!

---

**Outstanding Attendance**

---

**Cranmer’s Golden Rule**

“To work hard and be respectful every day; to believe and achieve, that’s the Cranmer way”
### Flu Immunisation Monday 8th October

Flu immunisations will be taking place on 8th October, for all children in Reception to Year 5. You should have received a permission letter already; they must be returned whether your child will be immunised or not. If you have any queries, please see Mrs Duffell in the Crescent office.

### Secondary School Applications

The deadline date for secondary school applications is **31st October 2018**. A list of Merton open days is attached to this newsletter.

If you have any questions regarding the transfer to secondary admissions process, please contact:

School Admissions Team  
Civic Centre  
Morden  
SM4 5DX

Email admissions@merton.gov.uk

### Golden Teatime

Every Friday afternoon, children who have been especially chosen by their classteacher for following Cranmer's 'Golden Rule', will be able to have tea with Ms Hick. One child will be chosen from each class as a reward for their hard work, respect for others, and as a celebration of their achievements.

The children who were chosen this week were: Joshua, Emilia, Anna, Krishna, Ellis, Jania, Zakai, Roxanne, Ruby, Nina, Aidan, Kanisha, Livni, Darren, Hussein, Kezia and Grace.

### PGL Deposit Deadline

Dear Year 6 Parents/Carers,

The deadline for the Year 6 trip to PGL is fast approaching (Friday 5th October). Please log on to ParentPay and pay the deposit to secure your place. If you have any questions, please do not hesitate to ask your class teacher or Mrs Wollen in Crescent Building office.

### New Library Location

Our library has moved further down the main corridor in the Crescent Building. It is easily accessible via the blue doors which lead onto the Lower Key Stage 2 playground.

The library is open for quiet family reading from 8:15am to 8:40am EVERY DAY!

### School Photographs

The school photographer will be coming in on the below dates:

- 15th October - Individual Class Photographs
- 7th November - Sibling Photographs
October is Black History Month, when schools across the country will be learning about notable Black people in History and their achievements. We will spend RAH week (Rights, Arts and History Week) learning about ‘The Windrush’.

It is 70 years since the Empire Windrush sailed to Britain from the Caribbean and many of the men, women and children settled in South London. Children will work in their classes to research Caribbean islands and will try to put themselves into the mindset of a recent arrival from ‘The Windrush’. We will work together to create a whole school display which will honour the contributions of ‘The Windrush generation’.

If you, or anyone you know, would like to contribute your time, resources or skills to help us with our learning please get in touch with your class teacher.

Thank you!

Miss Doherty

We have hosted a residents meeting in conjunction with the school, a London Borough of Merton Councillor and the police regarding concerns of parking in ‘The Close’ and ‘Bramcote Avenue’. Residents have complained about the inconsiderate parking (illegally parking on pavements, leaving engines running whilst parking and the blocking of access for emergency vehicles). In addition to this, some of our parents have displayed anti-social behaviour towards residents. This is unacceptable; Merton will be dispatching their traffic enforcement agents to monitor the situation and issue penalty notices where traffic infringements occur.

We therefore appeal to all parents to park responsibly around our school and to please be respectful of our neighbours.
**STAR OF THE WEEK AND MIDDAY SUPERVISOR STAR OF THE WEEK**

Every week, one child is chosen from each class who has achieved especially marked results in work, behaviour or kindness.

Midday supervisors also award a star per class, per week for good lunchtime behaviour.

**DATE: 17th September 2018 – 21st September 2018**

Blocking and reporting

Encourage your child to report bad gamer behaviour—this might be cheating, griefing or abusive behaviour.

Fortnite have a support site, where you can email a report to the developers for investigation [http://bit.ly/fortnitereport](http://bit.ly/fortnitereport)

Make sure to include the player’s full in-game name, spelled as accurately as possible. If it looks like the player is using unusual or uncommon characters in their in-game name, take a screenshot and send this too.

If you are concerned about possible abusive or grooming behaviour from other players, consider using the CEOP Report Abuse tool [http://bit.ly/ceopreport](http://bit.ly/ceopreport)

Talk, share and enjoy

To really understand Fortnite: Battle Royale, play together with your child and talk with them about why they enjoy it. Talk about your concerns, and discuss how you can work together to keep safe.

Encourage them to share their gaming with you and give them the confidence to come to you if they have any worries.

More help and support

A Guide to Inform Parents

What is it?

Fortnite: Battle Royale is a game which combines Minecraft-style building with shooting for survival. It has been described as ‘Call of Duty for kids’ and has 40 million players worldwide. It can be played on the PC, Xbox or PlayStation.

Why is it popular?

The game is fast and generally lasts no more than 30 minutes. It has a silly sense of humour and is popular with YouTubers such as DanTDM and JackSepticEye. Children may have seen their favourite YouTubers playing it and want to play it themselves.

Is it safe?

With safety settings and the involvement of parents, it can be a positive and engaging experience. The action is ‘high quality cartoon’ in appearance, and players work together to plan strategies and tactics. Fortnite: Battle Royale is rated PEGI 12 by the Video Standards Council for frequent scenes of mild violence.

For more information, read inside

What do I need to know?

The game

During the game, 100 players leap out of a flying battle bus on to a small island and then fight each other until only one is left. Hidden around the island are weapons and items, including crossbows, rifles and grenade launchers. Players must arm themselves while exploring the buildings and landscape. Zombie creatures are also hunting you, but you can collect resources to build structures where you can hide or defend yourself. As the game progresses, the safe zone shrinks, so players are forced closer together. The last player (or squad) is the winner.

Players can play by themselves, as a duo or as a squad (up to 4 players). Each time a match starts, you are playing against other Fortnite users, and can hear their conversation. Sound is very important to the game – footsteps, chest opening – so players will want headphones so they can listen out for noises.

Although Fortnite is a multiplayer shooter, it has a bright, friendly visual style and it does not depict bloody violence.

The players

Fortnite is a multiplayer game, with an online chat option which can be turned off for players your child doesn’t know. It’s possible to team up with a friend, or group of friends, and compete as a duo or a squad. This adds a social element, and children can chat as they play using headsets and microphones.

Many children are now forming Fortnite teams, and spending a lot of their free time playing and practising the game together.

The cost

The game is free and players are able to unlock new items as they progress without paying anything. However, on the Xbox, you’ll need a Gold Subscription to play online.

Fortnite has an in-game currency called V-Bucks. It costs £7.99 to download 1000 V-Bucks. If you purchase a Premium Battle Pass for 950 V-Bucks, you can get exclusive clothing and items, with new items released every week. The items are purely cosmetic and don’t affect gameplay or give you an advantage.

Security, settings and screen time

To avoid children speaking to strangers during the game, set up a Party of friends before they play. This means that they are only able to communicate with people they know, and other players voices will be muted.

Although children will want to use headphones during the games, so they don’t miss important noises, you should consider setting the sound so it comes through the TV and headphones. This means that you can hear what is being said during gameplay.

If they’re playing on an Xbox or PlayStation you can use the parental controls to limit the length of gaming sessions.

Fortnite matches can last up to 30 minutes, and children won’t want to stop playing in the middle of a game as they will leave team-mates in the lurch and lose any points they’ve earned for that game. You could use a timer, or discuss in advance how long you are happy for them to play.
Dear Parents / Carers,

Designer, Will Hardy (from George Clarke’s Amazing Spaces television programme) is involved in planning the design of a brand new playground at Canons House. He would like to involve a group of Cranmer pupils and their parents in this project.

If you are interested in being a part of this amazing project, and can commit to being available to meet for two evenings after school, at Cranmer (October 30th and November 8th from 3.30 pm until 5.00pm), please inform Mandy Walker, Parent Support Adviser, by Friday 5th October.

You can do this by leaving your name and your child’s name at either Cranmer Court or Crescent office, highlighting (Canons playground design Team).

You will also be invited to attend one Saturday afternoon in March 2019 (to be confirmed).

Thank you
Mandy Walker (Parent Support Adviser)
Meet the therapists
Central London Community Healthcare (CLCH)

with therapists from occupational therapy, physiotherapy, paediatric dietetics and speech & language therapy, plus Ruth Gladwell, Locality Lead for Integrated Complex Needs, Merton Community Services

CLCH have been delivering community services in Merton since April 2016 and are responsible for the majority of NHS community healthcare services for children & adults in Merton.

They offer a range of therapies especially for children with disabilities, including occupational therapy, physiotherapy, paediatric dietetics and speech & language therapy.

Meet the therapists & find out how they can help your child.

"Students are exceptionally well cared for and guided in their routes through college" Ofsted

Ernest Bevin College believes in...
Respect, Tolerance, Opportunity, Resilience and Happiness

We offer...

Academic Excellence – our exam results are above national averages

STEM Assured Programme – one of only four schools in the country to be awarded this status

Computer Science Hub – reflecting our excellence in Computer Science

Elite Sports programmes – Judo, table tennis, volleyball & cricket

PLUS: Successful Tooting Mitcham United FC Football Academy in Sixth Form & close links with Leander Swimming Club

NEW FOR 2018 – Athletics Academy to support our elite athletes

Opportunities outside the classroom:
- Combined Cadet Force (CCF) Link with the Royal Marines
- Confucius Classroom: Mandarin is taught in Year 7
- Recognised centre for the Duke of Edinburgh award programme

"Mum of Zach, Year 7:
After viewing many schools in the area, Ernest Bevin was one of only two schools that both my son and I walked into and said ‘YES! It treats every child as an individual regardless of their abilities and recognises that every child has a strength. I truly believe Ernest Bevin is a special gem.’ (2018)

Mum of Sonny, Year 7:
We’re very proud of his achievements, and thankful for the support he received from EBC – he really is thriving at the College.” (2019)

“Our mission is to ensure that all learners in our community benefit from the opportunities available to them in order to achieve the greatest possible success in their time with us. Our motto, Learning Changes Lives, reinforces our core belief in the value of education to transform people and society positively.

The Academy’s ethos promotes a rich and diverse learning environment where every student is offered the opportunity to grow in maturity and understanding. The curriculum has been devised to enable students to develop the skills and comprehension necessary for success in an increasingly competitive world.”

Learning Changes Lives

We particularly welcome families with a child transferring to secondary school in September 2019.
HEALTH CHAMPIONS

ABOUT HEALTH CHAMPIONS

Merton Community Health Champions are volunteers who let people know about the information and support available to help them make healthier lifestyle choices.

DO YOU LIKE PROMOTING HEALTHIER LIFESTYLES?

Then why not become a Merton Community Health Champion.

Merton Community Health Champions are volunteers who let people know about the information and support available to help them make healthier lifestyle choices.

What do Merton Community Health Champions do?

- They attend local events (i.e. a school coffee morning) in pairs and share information about Healthier Lifestyles (give out flyers, posters and/or share knowledge of places to go to stay healthy)
- They may lead a small health related fun activity at the event
- They help raise awareness about the services provided by One You Merton

The MVSC Health Champions Co-ordinator supports the team of Merton Community Health Champions.

WHAT IS EXPECTED OF YOU?

- Complete a short Level 2 Award in 'Understanding Health Improvement' (2 day course maximum with a short multiple choice assessment at the end
- Undertake a DBS check
- Attend a minimum of 3 events (2 hour maximum) as a Merton Community Health Champion before the end of March 2019

If you are aged 16 and above and are interested then please contact:

Bec Yusuf
MVSC Health Champions Coordinator

"I feel I have made a positive impact on the community by making them aware about healthy lifestyles. This invaluable experience enabled me to build my confidence, as I managed to deal with many people from all walks of life and network with other health champions."

**Prospective Parents' Evening**
Tuesday 25th September, 5pm – 8pm
Principal talks at 5.15pm, 6pm and 6.45pm
Open mornings by appointment: 2nd, 4th and 9th October
Whatley Avenue, London SW20 9NS

Be a part of our innovative new co-educational academy
As the second year group in our school, your child will benefit from:

- The highly focused attention of our teachers, creating an easy transition from primary to secondary school
- A challenging, diverse and personalised curriculum
- A wide range of extracurricular activities, including opportunities in music, drama and sport
- Being part of the Harris Federation, a family of academies across London – the majority of which are rated ‘outstanding’ by Ofsted
- A brand new building situated 5 minutes from South Wimbledon tube station

Admissions to the academy in 2019

Please visit our website to find out more information about admissions and to access our academy app for all our latest news and events.

We have 180 places available. Applications for a place can be made via your local authority’s co-ordinated admission arrangements.

St Mark's Academy displays academic excellence and is the UK's first Secondary School to be awarded the Enhanced Quality Mark as a Values-based school

Find out more: www.stmarksacademy.com
St Mark's Academy, Acacia Road, CR4 1SF

Best ever GCSE results!

Once again here at St Mark's, we are celebrating our best ever GCSE outcomes.

- On average, students have achieved almost half a grade higher at St. Mark's than they would have done at other schools with a Provisional Progress 8 score of an impressive +0.44.
- 44% of students achieved 7 or above (equivalent to A and A*+s) in Religious Studies including 12 grade 9's (high A*).
- 85% who took History achieved 7 or above.
- English and Maths results were strong with a combined progress score of +0.47 in English and +0.26 in Maths.

This showcases the impressive work that every teacher and student has put in to prepare for exams. All of our students have made themselves extremely proud including Melanie who achieved grade 9s in English Literature, RF and Science. She is staying at St Mark's to study English Literature, Maths and Biology at A-Level.

"This is an outstanding example of a school, students and staff are nurtured and given every opportunity to flourish."
