Golden Teatime

Every Friday afternoon, children who have been especially chosen by their class teacher for following Cranmer’s ‘Golden Rule’, will be able to have tea with Ms Hick. One child will be chosen from each class as a reward for their hard work, respect for others, and as a celebration of their achievements.

The children who were chosen this week were: Jenson, Hallie, Akshaya, Tharun, Annabelle, Aliya, Avignan, Jaiden, Demario, Keshav, Adam, Ibrahim, Humaid, Dulcie-Lea, Korinne, Awais, Max and Emani.

Year 6 Residential – Payment Reminder

This is a reminder to pay any outstanding instalments for the Year 6 PGL, trip by the deadline of Wednesday 1st May.

If full payment is not received by this date, your child’s place will not be guaranteed. If you are unable to meet this deadline, please contact either Mrs Magill or Mrs Wollen as soon as possible. Thank you.

World Down’s Syndrome Day

Thursday 21st March 2019, is World Down’s Syndrome Day. We are going to use this day to raise awareness of disabilities, special educational needs.

We are inviting pupils and staff to wear odd socks to school on this day! Odd socks were chosen as a symbol for World Down’s Syndrome Day because chromosomes are shaped like socks, and those with Down’s Syndrome have an extra one. Rock your socks on World Down’s Syndrome Day!

Dismissal Arrangements from Clubs

Please note that the following clubs will be dismissed:

- Yoga Club from the Studio Hall
- Craft Club from Year 2 doors
- Chess Club from Cranmer Crescent Main Office
- Homework Club from Cranmer Crescent Main Office
- Dodge Ball from Hall doors opposite the Pirate Ship
- Book Club from Diamond Class Playground
At Cranmer, the children take part in weekly Philosophy for Children sessions to develop their creative, critical, caring and collaborative thinking.

Every half term, the children will be sharing their P4C enquiry question, voted on within their class, with you, via a 'Child thinks, adult thinks' slip. The children would love to discuss and explore this question further with you and to note down your thoughts. Once filled in, please return your slip to your child’s class teacher so that these ideas can be shared in their next P4C session and displayed within their classroom.

Thank you for your support in developing our children’s philosophical thinking!

**Eco Corner**

Eco-Reminder from: Year 5, Amber Class

This week, some members of Amber Class have rescued animals by making sure they pick up plastic bags around our community.

Did you know over 12 million tonnes of plastic goes into our oceans each year?
**Uniform Price Increase**

Please note that there will be an increase to uniform prices that will take effect on 1st April. We hope you are able to have an opportunity to make a final purchase, at the old prices, for any items your child may need.

Alongside everyone else in the country, *Stitch Design* do not know what will happen with Brexit, nor how it may affect the supply chain. They will update us as soon as they become aware of anything which may affect the service, or prices, of the garments they offer.

School uniform is available online using *Stitch Design*; with the exception of our school tie, which can be purchased at the school offices.

**No Parking in the Wilson Hospital Car Park Please!**

It has been brought to the attention, of Nicola Shirley of NHS Property Services Ltd, that parents of the pupils at Cranmer Primary School are using the car park facility of The Wilson Hospital, Cranmer Road, Mitcham when delivering and collecting their children from school. They have raised concerns as children run around the car park at such times.

This facility is for the staff and patients/visitors to The Wilson Hospital and they would be very grateful if we would request that all parents refrain from using the car park. Please also note that there are large vehicles coming to the site for various reasons and therefore, NHS PS will not accept any responsibility for any damage to vehicles or harm to parents or children should they continue to use this car park.

Thank you in advance for your co-operation in this matter.

Parent Autism Course

Do you want to learn more this year about how to support a loved one with autism or someone you work with?

The Curly Hair Project (CHP) is an award-winning social enterprise, founded by autistic author and entrepreneur, Alis Rowe. Our aim is to help those with autism learn to understand themselves and their needs and ultimately be able to self-manage with our work being largely about acceptance, understanding and empathy for different world experiences.

In these past few years Alis’ work has diversified to include a UK wide network of training on all aspects of autism. This training is written by Alis and delivered by professionals with autistic children thereby providing real lived experience. We are excited to reveal that we have a new series of Autism Learning Days and Autism & Mental Health Days which were launched in the autumn and we will be bringing this work to Kingston and Waterloo in London. We have put together several days where parents and professionals can learn more about autism together, from those who know what it is like to live with this condition.

The Autism Learning Day takes place on Thursday 2 May 2019 in Kingston and incorporates:
Talk 1: Understanding and managing anxiety (9:15-10:15am)
Talk 2: Social Energy Theory - This Theory About Socialising Will Change Your Life! (10:30-11:30am)
Talk 3: What is sensory processing and how does it affect autistic people? (11:45am-12:45pm)
