**Year 4 Indian Afternoon**

Last Wednesday, Year 4 took part in an India afternoon as an introduction to our new topic. Each class got some time to visit each teacher, across Year 4 and took part in their activity.

Miss Luttrell and Miss Hardy were tasting a variety of spices and discussing where we thought they were from and what they were used for. This caused much laughter among the children as they discovered they all have different pallets.

Miss Willoughby got creative with her classes and they designed their own beautiful Henna tattoos.

Finally, Miss Martin got her groove on by teaching the children some Bollywood dancing. There were some amazing standout performances in each class. We hope the children enjoyed the afternoon and are excited to learn about our new topic.

**Parent Forum**

The next Parent Forum will be held on Friday 17th May for class representatives only. If you have any positive feedback or concerns, please pass these on to your class representative.

There is a list of all class representatives in this newsletter. You will also find a poster in your child’s classroom with your class representatives contact details.

If you are interested in being a class representative, please contact Miss Kerr on 0208-648-2621 or headspa@cranmer.merton.sch.uk.

**Website Update**

Please note our updated Behaviour Policy is now on our website.

Mental Health problems can affect anyone, at any time. The Mental Health Foundation believe that mental health is everyone’s business. So for one week each May, they campaign around a specific theme for Mental Health Awareness Week.

This year, with your support, they want to reach more people than ever.

Last year they found that 30% of all adults had felt so stressed by their body image and appearance that they felt overwhelmed or unable to cope. That’s almost 1 in every 3 people. Body image issues can affect all of us at any age and directly impact our mental health. However, there is still a lack of much-needed research and understanding around this.

Getting involved online

They want to get the nation talking about body image and mental health. By joining them online, they can even reach people from around the world. Follow them and help them spread the word. It’s also the best way to receive updates on the campaign in the lead up to the week!
