Year 4 Wonderlab Trip

Before half term, Year 4 visited Wonderlab at the Science Museum. It has over fifty mind-blowing experiments for children to interact with and demonstrations to enjoy. We attended a demonstration all about explosions where we found out about fire and why it is important. We then participated in making a real-life explosion. A popular experiment with the year group was learning about friction, where children got to go down slides made from different materials; the children found out which was the fastest. Each class thoroughly enjoyed their trip and behaved impeccably travelling to and from the museum. A huge thank you to all the parents who helped out on the three trips.

Outstanding Attendance

Congratulations to Opal Class for achieving the top attendance score of 98.7% for the week beginning 20th May. Well done to them!

Year 6 PGL Trip

Our Year 6 children left for their PGL residential trip today; we wish them lots of fun and adventures. Don’t forget you can see daily updates on our Facebook page. The page can be found at https://www.facebook.com/Cranmer-Primary-School-1684746341840167/ or by searching for Cranmer Primary School.
Outdoor Classroom Day – Thursday 23rd May

Last term, Cranmer took part in 'Outdoor Classroom Day'. This is a global campaign to celebrate and inspire outdoor learning and play. Thousands of schools around the world took lessons outdoors and prioritised play time. Outdoor learning improves children’s health, engages them with learning and leads to a greater connection with nature. Play not only teaches critical life skills such as resilience, teamwork and creativity, but is central to children’s enjoyment of childhood.

Our next Outdoor Classroom Day is on Thursday 7th November 2019.

Outdoor Learning at Cranmer

We are excited to announce a new feature in the school newsletter this term. Each year group is going to be sharing their outdoor learning experiences.

**EYFS**

Outdoor learning is part of our EYFS continuous provision. Early Years are outside whatever the weather - there are always learning opportunities and new experiences to be explored.

Sapphire Class had snack and story time outside. They shared their favourite foods and had a discussion about healthy and unhealthy food.

Nursery were exploring mark making outside using chalk.

Look out for Year 6’s outdoor learning experiences in the newsletter next week!
'Cranmer in the Wild!'
Tuesday 4th June - Wednesday 3rd July

Cranmer is taking part in ‘30 Days Wild - Random Act of Wildness’, an initiative created by The Wildlife Trusts. Each day the children will take part in an activity outside. This will be in the form of challenges for the children which can take place during lessons, break and lunch times, as well as their transitions to and from school. We are so lucky with our grounds and outdoor environments at Cranmer and would like to continue to increase our learning outside.

You can find more information about ‘30 Days Wild’ and even sign up as family at: www.wildlifetrusts.org

It would be lovely to share some of your adventures. Please email photos of any ‘Random Acts of Wildness’ you do at home.

Mrs Henshall - Reception Emerald - Mathematics Leader

Role: Class Teacher and Mathematics Leader

Responsibilities:
- Supporting and developing the planning, teaching and monitoring of Mathematics across the school
- Providing a broad and balanced Mathematics curriculum
- Overseeing assessment arrangements and analysing data
- Training members of staff and students
- Organising themed weeks such as STEM and Enterprise Week

Family and Background:
Mrs Henshall was born in Turkey to a Turkish mum and a Kurdish dad. She is now living in Surrey with her husband and son.

Education:
Mrs Henshall studied in North London and has 10 GCSE's, A-Levels in Philosophy, Sociology, Art & Design, General Studies and Media Studies, a Degree in Law and a Postgraduate Certificate in Education.

Other Information:
Mrs Henshall has taught at Cranmer for over 10 years and has been the Maths Leader for the past 8 years. She loves sharing her passion for numbers and shapes with others. During her free time, she likes to draw, paint and illustrate. She has exhibited her work at numerous venues and has sold many pieces. She also curates the Kurdish Art Fair every two years. This year, she will be participating in CAOS (Carshalton Artist Open Studios), which will be held during the last two weekends of June. You are all welcome!

Recently, she has written and illustrated a book entitled 'Relationshapes', which tells the story of a circle who goes in search of a friend. It uses rhymes and alliteration to teach children about numbers and shapes, whilst touching upon the importance of friendship.

Copies of the book will be available to purchase from the school offices.
**STAR OF THE WEEK AND MIDDAY SUPERVISOR STAR OF THE WEEK**

Every week, one child is chosen from each class who has achieved especially marked results in work, behaviour or kindness.
Midday supervisors also award a star per class, per week for good lunchtime behaviour.
