Sapphire - 3rd July

NEXT WEEK IS HALF TERM
We wish all our families a relaxing break away from school. Pupils return on Tuesday 2nd June.

Quote of the week: "Learning never exhausts the mind." - Leonardo da Vinci

**PTA LOGO COMPETITION**

The PTA would like to congratulate everybody who entered our new logo competition - the response was very good!

With all the colourful and creative designs it made it very difficult to choose a winner. There were a small number of entries that didn’t win a prize but we felt we should mention because their designs were excellent and they were: Vasuky from Amber, Adam from Onyx, Rakshana from Aqua Marine, Jaanusan from Crystal, An from Amethyst and Abi from Quartz.

But pick a winner we did and the student who we felt had the best overall design was Rashani in Garnet class who received a £20 gift voucher for "Toys R' Us" from the PTA and Mrs Whymark.

"To work hard and be respectful every day; to believe and achieve, that’s the Cranmer way." Cranmer’s Golden Rule is a crucial component of our ethos and high standards. The Golden Rule underpins all that we do and applies equally to children, staff and the school community.
Congratulations to Onyx and Amber Classes for all achieving the top attendance score of 100% for the week beginning 11th May. Well done to them! Whole school attendance (including Reception classes) from September is an amazing 96.3%!

**CHANGES TO OWNWORK**

In Summer 2 there will be an exciting change to the way we complete ownwork at Cranmer. The children will be given more flexibility and creative options to choose from. A letter explaining the new format will be sent out during the first week back and class teachers will be spending some time explaining the new system to their classes. This is going to be a trial system and will be reviewed during Summer 2 in the hope that we can launch it fully in September 2015.

Thank you for all your support in advance.

**ARTSBEAT WEEK**

**Art Room visit** - On Monday, 16 Cranmer children were invited to Selfridges to take part in an art workshop led by the Art Room organisation. The children were given the opportunity to make their own lampshade and then had a trip around Selfridges to look at the current display of chairs designed by artists.

**ArtsBeat week** - This week has been a very exciting week with many things going on!

**Street Dance** - All classes from years 1 - 6 have had the opportunity to learn a short street dance routine. Each class got to perform their routine in our ‘Street Dance Finale’.

**House Chants** - All Cranmer children have been working hard to create chants about their houses. They then performed these at their House Assembly on Friday.

**Getting creative!** Throughout the week, the children have been putting together art work to celebrate their house colours. Children in Early Years have been using different materials in their creative work. Key Stage 1 have created some amazing work in the styles of artists Delaunay, Matisse and Klimt, using their house colours. In Key Stage 2, children have been challenged to think about how their personality and their personal achievements can be shown through images.

**‘GOLDEN TEATIME’**

Every Friday afternoon, children who have been especially chosen by their classteacher for following Cranmer’s golden rule, will be able to have tea with Mrs Whymark. One child will be chosen from each class as a reward for their hard work, respect for others, and as a celebration of their achievements. They are: Dylan, Rae, Rafi, Veirra, Danielle, Jasmine, Faez, Shu’Aib, Lashae, Layla, Modupeoluwa, Alfie, Aidan, Daniel, Jemima, Misky, Joyce, Ashia and Anusan
Merton’s Educational Psychology Service (EPS)

with Elaine Killerby, EPS Manager

Merton’s Educational Psychology Service provides a wide variety of consultation & advice to schools & parents including education provision & emotional & behavioural problems.

Come along & find out more about this service & how it may benefit you & your children.

Wednesday 3 June, 10am to 12pm
(lunch included)

Chaucer Centre, Room M, Canterbury Road, Morden, SM4 6PX

Please book ahead for all events where possible

THIS SESSION IS FOR PARENTS/CARERS ONLY

✓ refreshments and lunch provided

NATURAL HISTORY MUSEUM NURSERY FABULOUS FINISH

This week, some of our Nursery children went on an exciting journey to the Natural History Museum. They travelled all the way to South Kensington on the tram and tube and got to spend the day with the dinosaurs - getting particularly excited by Dippy and the T-Rex! They even drew a picture of their very own dinosaur, giving it a special dinosaur name. We had a really great time and came back popping with excitement with plenty of stories to tell.

It’s been a really great week for us down here, a lot of work, but well worth it!!
