**YEAR 3 TRIP TO SAYERS CROFT**

We would like to thank all the children who came to Sayers Croft for being absolutely outstanding the whole time and completing all activities with courage and enthusiasm. It was fantastic to see them developing their independence and getting on with each other so well.

Many children climbed to the very top of the climbing wall (and so did Mrs Lone and Mrs Whymark!) and all of them completed a 3 hour hike in the muddy woods, built shelters and dipped in the pond looking for water life. They also completed a blindfold obstacle walk and looked for clues in a maze. On Saturday night they let out their remaining energy at the disco. They had some great moves!

It was a very busy and exciting weekend and we hope that the children will have many lovely memories from it. We would like to say a huge thank you to the 10 members of staff who gave up their weekend to accompany the children. Trips like these would not be able to go ahead except for the commitment and dedication of our fantastic staff team.

We have accumulated quite a lot of lost property from the Sayers Croft trip. If you are missing any items please see Mrs Duffell.

‘To work hard and be respectful every day; to believe and achieve, that’s the Cranmer way.’ Cranmer’s Golden Rule is a crucial component of our ethos and high standards. The Golden Rule underpins all that we do and applies equally to children, staff and the school community.
Congratulations to Jet Class for all achieving the top attendance score of 99.7% for the week beginning 16th March. Well done to them! Whole school attendance (including Reception classes) from September is an amazing 96.2%!

YEAR 2 PARENT VOLUNTEERS URGENTLY NEEDED

Parents from Moonstone, Amethyst and Coral classes are urgently needed to volunteer to accompany their children’s classes to their swimming lessons on Friday afternoons. If you can help please speak to your child’s class teacher. Swimming lessons for Year 2 start immediately after the Easter break.

Their efforts were outstanding.

We would just like to say an extra well done to our Girls who were the only ALL Girls team at the cluster match!
