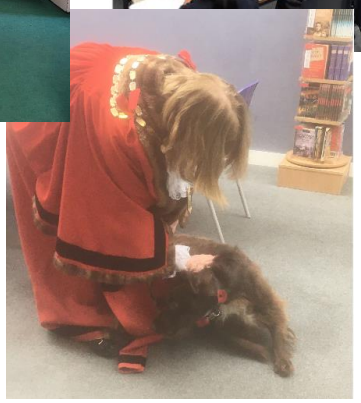
The Mayor of Merton visits Cranmer

We are so proud that the Mayor of Merton chose the pupils of Cranmer Primary School to design her Christmas card.

Yesterday we had a very special visit from the Mayor when she came in to select the winner. However, as the standard was very high, she has taken three cards away to give further thought to the winning design.

The Mayor wishes to thank all of the pupils of Cranmer Primary who took part in her competition and is looking forward to announcing the winner very soon!

As she walked around the school, she commented on the high standard of behaviour and learning and is looking forward to her next visit.



No Parking in the Wilson Hospital Car Park Please!

Nicola Shirley of NHS Property Services Ltd, has asked that parents/carers and staff do not use the car park facility of The Wilson Hospital, Cranmer Road, before and after school.

We have also had reports that parents have been abusive towards NHS staff members. This is not acceptable, this reflects badly on the school and sets a poor example to your own children.

This facility is for the staff and patients/visitors to The Wilson Hospital and they would be very grateful if we would request that everyone **refrains from using the car park**.
