Covid-19 Update

Children who are requested to isolate

If your child has been requested to self-isolate, it is imperative that you adhere to the advice and keep your child at home.

In line with the national guidance, we are asking you to do this to reduce the further spread of COVID-19 to others in the community.

If your child is well at the end of the 14-day period of self-isolation, then they can return to usual activities. Other members of your household can continue normal activities provided your child does not develop symptoms within the 14-day self-isolation period.

Thank you so much to the many families who adhere to this, but it has been brought to our attention that some children have **not** stayed at home and have been out. In order to keep all out school community as safe as possible we would request that **all** children now stay at home and self-isolate when requested to do so.

TRUST – RESPECT – RESILIENCE

No Parking in the Wilson Hospital Car Park Please!

Nicola Shirley of NHS Property Services Ltd, has asked that parents/carers and staff do not use the car park facility of The Wilson Hospital, Cranmer Road before and after school.

We have also had reports that parents have been abusive towards NHS staff members. This is not acceptable, this reflects badly on the school and sets a poor example to your own children.

This facility is for the staff and patients/visitors to The Wilson Hospital and they would be very grateful if we would request that everyone **refrains from using the car park**.

Please also note that there are large vehicles coming to the site for various reasons and therefore, NHS PS will not accept any responsibility for any damage to vehicles or harm to parents or children should they continue to use this car park.

We would like to thank all the parents who have not used The Wilson Hospital car park this week.

Dear Cranmer Families,

As you may be aware our breakfast and after-school clubs are successfully up and running. To that end we would like to make the following announcements:

1. With effect from **Friday, 20th November** we are offering a special service from the **end of the school day until 3:15 pm for the fee of £6**.

2. With effect from **Monday 23rd November** any child not collected at the end of the school day will automatically be transferred to after-school club following a 10-minute grace period. Kindly note that the full fee of £15 will be due Monday to Thursday with the special rate of £6 applying on a Friday if the child/children are collected by 3:15 pm.

3. Breakfast club is also available at a cost of £6.00 per morning and payments must be made in advance via Parent Pay.

Each child is assigned to one of three bubbles: Early Years (Nursery and Reception), Under 8s (Years 1, 2 and 3) and Over 8s (Years 4, 5 and 6).

The Club is located in the Out of Hours/SEND block referred to as Cranmer Cabin. **Access is through the Tramway Path entrance and we would ask that you please do not use the main entrance.**

If you wish to make use of our extended services, please complete the registration form found on Weduc under Forms: Extended Services – Registration Form or by collecting a paper copy from the school office.

We trust this clarifies the matter although please do not hesitate to contact us should you require any further information.

Yours sincerely

Martin Roughley

Headteacher
